

Safety/Wellness Committee Agenda/Minutes

Meeting Date: Tuesday, September 18, at Prairie Elementary in Room 142 from 3:30-4:30

In Attendance: In Attendance: Cory VanBriesen, Brad Schaffer, Tony Hastings, Linden Olson, Lori Dudley, Dave Skog, Amy Ernst, Gerald Oehler, Wendy Donkersloot, Brett Parish, DeAnn Crall

***Combined Safety and Wellness committees-better utilization of members that serve on both committees. Meeting twice per year- beginning and end of year.**

***Each building will have their own small committee with Assistant Principals as the lead person. Meeting twice per year-between the large group meetings to set building specific goals and work towards safety and wellness needs**

Wellness Agenda

- **What's new? /Discussion:**
 - **Prairie:**
 - Healthy Snack (Fruit & Vegetable grant) continuing again this year.
 - Water bottle stations are located throughout the building.
 - Walking path throughout the building is mapped out to track miles- start a walking club
 - Screen usage awareness- offer class/event for parents to learn more
 - Health education tips on weekly announcements
 - **Middle School:**
 - **1 Water bottle filling station- maybe adding 1 more**
 - **Walking club for staff and students**
 - **Wellness challenge for staff after the holidays**
 - **High School:**
 - **Weight room open before and after school student/staff use**
 - **Gym open during lunch and before school- monitored by staff**
 - **Toys4Tykes-keep within nutrition standards**
 - **Wellness Challenges for staff after holidays**
 - **ALC:**
 - **Open gym before and after school and during lunch**

Concern of the level of phyed courses offered at high school, discussion of not wanting to loose phy ed time.

Safety Agenda

Safety Grant Update: Amy Ernst- applied for grant (\$100,00-\$200,000) submitted for each school for safety equipment (lighting, cameras, tech, DVR, etc)

- **Prairie:**
 - Phone trainings for emergency situations
 - Strobe lights/gym- **Prairie had them installed**
 - Upgrade analog cameras
 - Numbering exterior windows- **Contact Gene Lais at High School to print**
 - Community communication- **Notify parents about upcoming drills (tornado, lock down, fire) not exact info just “upcoming”**
 - BCRT members all trained in CPR/AED- **Coaches trained. Discussed training all staff in basic CPR-not certified-on an in-service day-staff request**
 - Phy. Ed doors
 - ALICE- **Alert, Lockdown, Inform, Counter, Evacuate**
 - **5 Admin trained already-**
- **Middle School: Crisis team meets monthly**
 - **Discussed need for resource officer in all buildings-ideal but not financially practical**
- **High School:**
- **ALC:**

Other:

Food Service is up for audit this year- big part of it is the Wellness piece.
