

## WORTHINGTON AREA LEARNING CENTER

### **Mission:**

The Worthington Area Learning Center is committed to supporting students in achieving their academic potential so they can become successful citizens.

### **Goals:**

Students at the ALC will be **career, college, and life ready**. Students will demonstrate **executive skills** through patterns as demonstrated by the following goals.

#### I. Attendance

Given a positive atmosphere, attendance will increase by 5% as monitored by daily records by June 5th, 2018.

#### II. Technology

Teachers will offer purposeful technology-based summative and/or formative assessments through the use of 21st century skills once a quarter during the 2017-2018 school year.

#### III. Credit Recovery

Through the use of interventions, students earning 0.5 credit in all enrolled classes will increase by 5% by June 5, 2018.
