

District 518 On-Call Interpreters

Confidentiality Pledge

I pledge to honor the privacy and confidentiality of all written documents and conversations involving District 518 students and staff, as well as other school-related issues. I understand that the discussions shared during any District 518 meetings/conferences or knowledge acquired during the translation of any documents is for professional school improvement purposes. I will not divulge this confidential information to any persons outside of the immediate group present unless otherwise instructed by District 518 licensed teacher or administrator.
