ISD 518 is excited to have the opportunity to provide lunches for our students during this very challenging time, and we have selected our top sellers that your children have grown to love to help bring a little piece of school to them while they are at home. The menus can be found on the website, under the Parents/Students icon and by selecting Menus. They are the same items for all students. These meals will be available to students only; no adult meals will be available.

The process to pick up meals is simple...your family household will be assigned a site. The sites for pickup will be as follows: Households beginning in:

- *A - G Prairie Elementary front door*
- *H - M Worthington Middle School front door*
- *N - Z Worthington High School front door.*

Times your family may pick up meals:

- 9:00 a.m. to 10:00 a.m.
- OR 5:00 p.m. to 6:00 p.m.

Pick up of meals will begin September 8<sup>th</sup> with next following weeks' meals available for pickup on **Monday** of each week.

We will make every effort to accommodate dietary restrictions provided we have a signed Physician Statement on file, specifying what needs to be avoided and what we can safely substitute.

Unfortunately, we cannot honor special requests/preferences. The Physician Statement form can be obtained from the school nurse in each building.

The meals have been designed to meet the requirements of the National School Lunch Program and all items on the menu will be provided. No adult meals will be available through this program. **All meals will be charged to your students account according to their status, free, reduced or full pay.** If you have not turned in your Free/Reduced application for this school year please turn it in as soon as possible. We may need to occasionally make substitutions due to product shortages, but we will do our best to avoid changes to the menu.

The program **may switch** to the Summer Food Service program where all meals will be served free. We will inform you if this happens.
