 - Opportunities were offered by NCIC, but unfortunately, there were not as many participants from Ellsworth.
- How do you know whether it is or is not helping you make progress toward your goal?
 - Although goal was not met, administrators provided teachers with Education Equity resources through MDE. As a part of NCIC's A&I improvement plan, individual districts are responsible for providing professional development opportunities that are focused on culturally responsive trainings and practices. We are hoping to see an increase in participation level in all NCIC member districts.
