

PRAIRIE ELEMENTARY VISION AND MISSION

VISION:

Our shared vision encompasses meeting the needs of all learners through establishing a collaborative culture with a focus on learning and results. At Prairie Elementary we use a full range of educational services to respond to the individual learning needs of students. We are devoted to meeting the social, emotional, and academic needs of every student.

MISSION:

Excellence in Action – At Prairie Elementary we will focus on learning, focus on results, and focus on collaboration to ensure student achievement for all.

Focused on Learning

- We will use our list of Essential Skills/Concepts to guide instruction and ensure all students attain these skills.
- We will have a clear understanding of what we want students to learn by defining, displaying, and reviewing learning objectives during our lessons.

Focused on Results

- We will use data from common formative assessments to drive timely intervention and enrichment.
- We will monitor team progress towards building and grade level SMART goals.

Focused on Collaboration

- We will stay focused on what students must learn, the evidence of student learning, and the analysis of the evidence.
- We will share teaching strategies during team meetings.
- We will establish and review team norms.
