HONOR SOCIETY - Selection to National Honor Society is a privilege, not a right. Students do not apply for membership in the National Honor Society; instead, they provide information to be used by the local selection committee to support their candidacy for membership. Membership is granted only to those students selected by the Faculty Council in each school. This is not an election, nor is membership automatically conveyed simply because a student has achieved a specified level of academic performance. The Faculty Council selects students who demonstrate outstanding performance in all four criteria of scholarship, leadership, service, and character. Students will be notified by announcement and/or in the daily bulletin regarding procedures and deadlines. Further information about National Honor Society can be found at www.isd518.net.

PARENT CONFERENCES/PROGRESS REPORTS - Parents/guardians may make appointments for conferences with teachers, counselors or the principal by telephoning the school office, 372-1322. Parent-Teacher conferences are scheduled during each quarter. Parent-Teacher Conference times run from 3:00-7:00 PM. Parents will receive notification prior to the dates.

POST-SECONDARY ENROLLMENT OPTIONS (PSEO) - For qualifying students, juniors in the top 33% of their class and seniors in the top 50%, PSEO can be a valuable and worthwhile choice for advanced education. PSEO students accept the responsibility to:

1. Do all of the PSEO paperwork each semester

Report cards are issued as soon as possible following each term and do not need to be returned. Progress grades can be accessed at any time using Campus Parent Portal. We will follow the District 518 School Board approved grading plan.

SCHEDULE CHANGES - Schedule changes will **NOT** be granted for the following reasons: changing teachers, changes class hours, requesting classes with friends, requesting specific lunch periods, dropping required courses, switching because of activities or because of convenience. **No** schedule changes will be allowed after the quarter or semester has started.

ACTIVITIES

EQUAL OPPORTUNITY/DISCRIMINATION - It is the policy of the Worthington Public Schools to not discriminate on the basis of age, national origin, race, religion, handicapping condition, or sex, and that all students will be encouraged to participate in school activities.

ACTIVITY PRACTICE/PARTICIPATION ON DAYS OF ABSENCE - If a student has been absent from school on all or part of the day, eligibility will be determined as stated in the student activities handbook. When a student is ill on Friday or a day preceding vacation, the coach and the parents are the appropriate people to make the best decision concerning the well-being of the student in the activity.

ACTIVITY VIOLATIONS - When an eligibility violation occurs, the Worthington Public Schools and the Minnesota State High School League governs the probation time according to the activity and the offense. Please refer to the activities director or high school principal for the length of the probation.

FEES - The following fees were approved by the School Board for the 2020-2021 School Year. The fee schedule does not include the admission fee to Minnesota State High School League sponsored activities.

Extra-Curricular Activities	\$30 - \$60
Fine Arts	\$15 - \$30
Maximum yearly fee/family	\$300

INELIGIBILITY - Students in 7th through 12th grade must maintain academic eligibility to participate in extra-curricular activities. Upon completion of each eligibility grading period (every two weeks), students must be passing all of their classes. Students not passing all of their classes will be placed on academic ineligibility for a two week period. Students must establish clearance by turning in a fully completed academic eligibility clearance form to the middle school, learning center or high school offices. The office will notify the coaches and activities director that the student has been cleared to participate in school events. Students who fail to turn in a clearance form will be ineligible to participate in extra-curricular activities until which time an eligibility clearance form has been turned in. Students may continue to practice during a period of ineligibility. However, coaches and advisors may use discretion regarding practice while monitoring the student's progress toward eligible status. Students are not allowed to turn in an eligibility clearance form during the first ten school days of an academic term. Students who fail classes at the end of a quarter will be ineligible to participate in extra-curricular activities for the first ten days of the next academic term and they must turn in an eligibility clearance form to regain their eligibility. Students must also meet credit requirements in order to be considered on track to graduate. Students must compile the following credit per grade level in order to participate in extra-curricular activities. School administration reserves the right to allow for exemptions based on student effort towards meeting these expectations.

ATTENDANCE

ATTENDANCE POLICY –

A. Philosophy

Learning is enhanced by regular attendance. The entire process of education requires continuity of instruction, classroom participation, learning experiences and study in order to reach the goal of maximum educational benefit. This is a well-established principle of education which underlines and gives purpose to the requirements of compulsory education in Minnesota and every other state in the nation.

Absence from school can never truly be made up. Poor attendance reflects in grades. Success at school requires, like success at any job, promptness and dependability. Regular attendance at school is one of the most important items that will be recorded in your permanent record at District 518. In some cases it can be the deciding factor in securing a job you want, or in getting accepted at a school you want to attend.

B. Responsibilities

Student's Responsibility-It is the student's right to be in school. It is also the student's responsibility to:

- attend all assigned classes every day school is in session and to be aware of and follow the correct procedures when absent from an assigned class.
- request any missed assignments / assessments due to an excused absence.

Parent or Guardian's Responsibility-It is the responsibility of the student's parent or guardian to:

- ensure the student is attending school.
- inform the school in the event of a student absence.
- work cooperatively with the school and the student to solve any attendance issues that may arise.

Teacher's Responsibility-It is the teacher's responsibility to:

- take daily attendance and to maintain accurate attendance records in each assigned class.
- be familiar with all procedures governing attendance and to apply these procedures uniformly.
- provide any student who has been absent with any missed assignments / assessments upon request.
- work cooperatively with the student's parent or guardian and the student to solve any attendance problems that may arise.

Administrator's Responsibility-It is the administrator's responsibility to:

- require students to attend all assigned classes.
- be familiar with all procedures governing attendance and to apply these procedures uniformly to all students.
- maintain accurate records on student attendance.
- inform the student's parent or guardian of the student's attendance and to work cooperatively with them and the student to solve attendance problems.

In accordance with the Minnesota Compulsory Instruction Law, Minn. Stat. § 120A.22 and Worthington Independent School District Board Policy 503, the students of the school district are REQUIRED to attend all assigned classes every day school is in session, unless the student has been excused by the school board from attendance because the student has already completed state and district standards required to graduate from high school, has withdrawn, or has a valid excuse for absence.

C. Student Absences and Tardiness

1. **Absence** – A student is marked absent if he or she misses more than 30 minutes of any class period.

A. Excused Absence – The following list of items are what constitutes an excused absence:

- i. Illness, injury, or hospitalization of the student. If the number of absences is considered “excessive” by the building principal, a doctor's note may be required to be considered an approved absence.
- ii. Family emergency, serious illness of a family member or death in the family.

Approved: 7/20/21

- iii. Religious holidays.
- iv. Family trips taken with a parent if the principal or designee has approved the trip in advance. A maximum of five (5) days throughout the school year will be excused. Approval must be obtained from the principal at least five (5) school days prior to the absence.
- v. Work at home - cannot exceed four (4) occurrences per school year and may not be used the last 5 days of a grading period. Any absence for this reason beyond four (4) will be considered unexcused. Missing school to go to a job outside of the home is not considered excused.
- vi. Any pre-approved absence which, in the principal's opinion, will provide educational value to the student. Approval must be obtained from the principal at least five (5) school days prior to the absence.
- vii. Religious instruction not to exceed three hours in any week.
- viii. Active duty in any military branch of the United States.
- ix. One driver's exam per semester

B. Exempt Absence – The following list of items are what constitutes an exempt absence:

- i. Participation in school-sponsored event. This would include attending state tournaments in which Worthington is a participant provided verification of attendance is provided upon return.
- ii. Suspensions.
- iii. College visits for seniors (two absences during the year; any additional will be considered an excused absence contingent upon verification being provided by the student).
- iv. College visits for juniors (one absence during the year; any additional will be considered an excused absence contingent upon verification being provided by the student).
- v. Mandatory court appearances.
- vi. Medical, dental, orthodontic, counseling and other professional appointments (not haircuts, etc.) which cannot be scheduled outside of school hours. Upon return from appointments, students shall provide the school office with verification of such appointments.
- vii. Conditions beyond the student's control, such as fire, flood, storm, etc. This would include inclement weather conditions, but not the following: missing the bus, not catching their ride to school, oversleeping, traffic conditions, or car problems.
- viii. Compliance with any provision of a disabled student's Individualized Education Plan (IEP) or Section 504 Accommodation Plan.

C. Unexcused Absence – Any absence which does not fall under any of the excused or exempt categories will be considered unexcused. Sleeping late or oversleeping is not considered an excused absence. Additionally, an absence will be considered unexcused unless a written note by the parent or parental phone call stating a valid reason is provided to the building administration within two (2) school days of returning to school. An example of this would be if a student misses on Monday and returns to school on Tuesday, the student would have until 8 am on Thursday to have this absence addressed or it would stand as unexcused.

2. **Tardiness** - A student is "tardy" if he or she enters class after the period was scheduled to begin and does not have a pass that has been signed by a staff or faculty member. A tardy is given if a student misses up to 30 minutes of a class. Students arriving to class any time after the bell has rung are asked to report to the office first to receive a tardy pass to be able to enter the classroom unless they have a pass from another teacher.

D. Consequences for Unexcused Absences and Unexcused Tardiness

Presence and participation are directly related to academic performance and are essential components of a sound education. Tardiness and excessive absences reflect, among other things, a lack of responsibility and a lack of academic effort on a student's behalf. Learning is inevitably lost when a student fails to fully attend class. Regular attendance not only provides the foundation for achieving success as a high school student, but also for achieving success as an adult in the working world. The primary responsibility for assuring that each student fully attends classes and acquires the knowledge and skills necessary for effective citizenship rests with the individual student and his or her parent/guardian.

1. Unexcused Absences

Consequences for Unexcused Absences

- **Office Intervention**-Initially, 2 hours of before or after school detention and/or loss of privileges for each unexcused absence per class. Consequences will escalate for repeat offenders to possibly include ISS, community/school service or OSS.
- Students assigned detention, **ISS or OSS for unexcused absences or attendance issues may be ineligible to participate in any co-curricular club or extra-curricular activity until all detention has been served.**
- With administration discretion, an attendance contract may be written to extend the possibility of receiving credit.

- **County Intervention - Habitual truants** will be referred to County Social Services and Court Services. **Habitual truants** are students that have an unexcused absence from one or more classes for 7 or more days in a school year.
- **Home Intervention**-Parent contact or meeting. Home intervention is at the discretion of the parent.

2. Tardiness

One half hour of lunch detention will be assigned for 4 tardies in each class per quarter. Students will also receive an additional half hour of lunch detention for every second tardy after their fourth. For example 6, 8 10....

E. Notification

Every student will be given a copy of this attendance policy at the start of the school year by way of the student handbook, whether it be digital or paper copy.

F. Truancy - Nobles County Human Services School Truancy Procedures policy is as follows:

Nobles County Human Services, in collaboration with schools and Nobles County Courts, have developed this truancy procedure protocol, to be incorporated into the policies and procedures of local schools. We have worked together to develop this procedure because we believe it is in the best interest of the child to attend and be academically engaged in order to be successful in school.

1. Unexcused absences, as defined below, are cumulative throughout the school year. Records regarding attendance will transfer with students who transfer between schools in Nobles County.
2. According to Minnesota Law (MN Statute 120.101), “Habitual Truant” means a child under the age of 17 years who is absent from attendance at school without lawful excuse for seven school days if the child is in elementary school or for one or more class periods on seven school days if the child is in middle school, junior high school, or high school.

School Intervention:

The Worthington LC will contact parents of students who have 1 or more unexcused daily absence(s). These efforts will consist of automated telephone calls to parents, text and email messages from our Infinite Campus system. Whenever an absence is determined that it is unexcused this process listed above will be activated. Step 1 will continue whenever a student has an unexcused absence recorded for the school year.

Step 2-After 2 unexcused absences:

- District attendance officer will meet with the student to determine the cause of the unexcused absence and report back to the Building Administrator on the reason for the unexcused absence.
- If it is determined that the students’ absence is unexcused the District Attendance officer will contact the family with a follow-up phone call. Note: If an interpreter is needed it will be the responsibility of the attendance officer to work with a district interpreter or use the language line to communicate the unexcused absence.

Step 3-After 3 unexcused absences:

- 3 day letter is sent home by the attendance secretary.
- Attendance secretary will set-up an attendance meeting with family services, probation, and school officials (Principal/District Attendance officer). During this meeting we will discuss questions, concerns, interventions and any additional student support services that may be available.
- At this attendance meeting student will be placed on an attendance contract stating they will receive no credit once they accumulate 12 absences. If a meeting cannot be scheduled the district attendance officer will make a home visit to check-in with the family.

Step 4-After 5 unexcused absences:

- 5 day letter is sent home by the attendance secretary.
- Attendance secretary will set-up an attendance meeting with county attorney, family services, probation, and school officials (Principal/District Attendance officer). During this meeting we will discuss questions, concerns, interventions and any additional student support services that may be available. We will also talk about attendance contract and possible educational placement or setting if unexcused absences continue to be a concern. If a meeting cannot be scheduled the district attendance officer/family services or probation officer will make a home visit to check-in with the family.

Approved: 7/20/21

Step 5 –After 7 unexcused absences:

- 7 day letter is sent home by the attendance secretary.
- If the attendance plan is not followed and the student continues to be truant, at seven unexcused absences the matter will be referred to the Nobles County Attorney’s Office to be reviewed with Human Services.
- Human Services will offer voluntary services to the family to assist in improving the student’s attendance. Human Services will also outline possible outcomes that may take place after the matter is referred to the County Attorney’s Office. They include but are not limited to:
 - a. A Child in Need of Protection or Services (CHIPS) petition may be filed with Nobles County Court by Human Services. The student and his/her parent(s) will need to appear before a Judge regarding the truancy petition. At that time the CHIPS petition may be granted or a trial will be scheduled to determine the basis of the petition.
 - b. Judges can consider the following recommendations in a CHIPS hearing in regards to truancy:
 - i. A Child may lose their driving privileges until he/she is 18 years old.
 - ii. That any necessary evaluations, treatment, and counseling services be completed by the child and/or family.
 - iii. That attendance at summer school is mandatory.

G. MAKE-UP POLICY

1. Excused Absences

Students who miss class work (including assignments / assessments, labs, and exams) as a result of an excused absence will have an opportunity to make up the work. Students will receive credit for any work they make up. Failure to make up work will result in no credit being given for that work. Make-up work is due to the instructor no later than two (2) school days after the most recent date of the absence. For example, if the student is absent on Monday and Tuesday, their school work would be due on Thursday (2 days) unless an alternative plan has been made with the teachers. The goal of the policy is to encourage the student to get their work completed in a timely manner so they can get back on track with what the rest of the class is currently working on. If the absence covers more than three consecutive days, the makeup work is due to the instructor no later than five (5) school days after the student returns to class. Exceptions to this rule may be granted if a student has missed more than ten (10) consecutive school days because of an injury or illness or other condition beyond the student’s control. Exceptions must be cleared by the teacher and/or Principal.

Students who know they will be absent from school must get their assignments from their teachers in advance. The assignment(s) will be due before they leave or upon their return.

2. Unexcused Absences

Students who miss class work (including class assignments/assessments, labs and exams) as a result of an unexcused absence may not be allowed to receive credit on any assignment(s)/assessment (s) or alternative assignments from the day and class in which the unexcused absence occurred.

3. Suspensions

Students who miss class work (including class assignments / assessments, labs, and exams) as a result of a suspension will be allowed to receive credit for the work they missed while suspended provided that, the student hands in all assignment(s) / assessment(s) which were assigned while suspended upon the first day of returning to school. Failure to hand in all such assignment(s) / assessment(s) will result in the student receiving no credit for such assignment(s) / assessment(s).

H. REQUESTS FOR HOMEWORK

When a student is absent, please make requests for homework by 10:30 a.m. if possible. This enables the teacher to get the assignments and materials back to the office before the end of the school day. Homework is to be picked up in the school office between 3:10 and 4:00 p.m.

I. ABSENCE MAKE-UP PROCEDURES

Anytime a student misses class regardless of the reason, an absence will be recorded. The principal’s office staff will provide notification to the staff regarding the types of absences (exempt/excused/unexcused) and parents will be notified of absences. Class work missed because of excused absences shall be made up within two school days after returning to school. It is the student’s responsibility to make up the work. In some cases, such as hospitalization or other special circumstances, arrangements will be made through the administration or school counselor.

Approved: 7/20/21

J. THE APPEAL PROCESS

1. Appeal to Principal

Within five (5) school days after being informed that an absence or tardy will be counted as unexcused, or within five (5) days after receiving notice of an unexcused absence or unexcused tardies, the student or the student's parent/guardian may make a written request to the principal, or designee, to schedule a conference to contest, or appeal, the classification of the absence(s) or tardies. At the conference, the student and parent/guardian will have the opportunity to present any information relevant to the absence(s) or tardies in question, including any extenuating circumstances.

The building principal or administrative designee will provide the student and parent/guardian with written notice of the appeal decision within five (5) school days of the conference.

K. CHECKOUT PROCEDURES

If a student is to leave the school campus during the regular school day, the following procedure shall be follows:

The student shall present the parental request to leave the school campus to personnel on duty in the principal's office prior to the 1st period class on the day they are to leave. Legitimate reasons for out-of-building passes includes such things as medical or dental appointments, court appearances, and special family obligations. The student shall present a written request signed by a parent or guardian. Your parents may also make arrangements by calling 372-1322. The authority to decide whether an absence is excused rests with the building administration. Student requests without parental consent will not be honored.

When the request to leave campus is approved, the office personnel will issue a pass stating the time that the student will be excused from class. At that time, the student will report to the office, show the pass and sign out indicating the time and destination.

All students arriving at school or returning to school during school hours shall check in at the office prior to reporting to any class.

Grade Level Requirements

- 10th Grade:** Accumulation of 7 credits
- 11th Grade:** Accumulation of 14.5 credits
- 12th Grade:** Accumulation of 22 credits

GENERAL INFORMATION

Advisory - All students are assigned a Connect Class. Students must report to their Connect Class during the designated time. Connect is designed to assist students with course monitoring and career and college preparation. This model will assist us in preparing all Minnesota high school students to succeed at the next level- whether they choose to enter the workforce, military, a two-year technical college, a two-year community college, or a four-year university.

BACKPACKS –Backpacks are not allowed during the school day in the ALC

Backpacks may be used for educational purposes during the school day. Students using backpacks to store other items (food, make-up, etc) may lose the privilege to carry their backpack at any time. If there is reasonable suspicion that a student may have an inappropriate item in their backpack an administrator may search the backpack for such item. During canine inspections students will be required to leave their backpacks in the commons area for inspection.

Approved: 7/20/21

BULLETINS AND ANNOUNCEMENTS - In order to keep abreast of happenings at the LC we will be utilizing the following communication tools:

- Infinite Campus Parent Portal – this tool gives you access to your child’s entry of the teacher gradebook, food service balance, and classroom assignments. If you were using parent portal last year, you do not need to re-apply; simply use your same user name and password. If you are new to our district or have not used the portal in the past, it is an excellent way to stay current with your child’s academic progress and food service account. If you would like more information on the parent portal, please stop by the high school office.
- Schoology- this tool will provide access to your student’s curriculum, course assignments, and ALC Updates. Please check with your student’s advisory instructor to receive additional information to sign up.
- Twitter – @*WorthingtonD518* or Facebook – *Worthington Public Schools* for occasional updates about real time happenings in our school.

CAMPUS REGULATIONS - Worthington LC operates under the concept of a “closed campus” for all freshmen and sophomore students. Once freshmen and sophomore students arrive at school for the beginning of the school day, all students are to remain in the building throughout the school day. Juniors and seniors that qualify, will be granted open lunch privileges. Students may not order out and have food delivered to, or bring lunch into the school. At no time are students to be loitering in the parking lot.

CANINE INSPECTIONS - The LC campus and adjoining areas are routinely inspected by detection canines for prohibited substances and items in order to provide a safer learning environment. These searches may include all lockers and/or vehicles on school property. District 518 is not responsible for any damages incurred to vehicles or personal property during canine searches.

CRISIS MANAGEMENT - Each building in the district maintains a set of procedures for dealing with crisis situations. In the event of such occurrences (examples include: severe weather, fire, bomb threats, hazardous materials, intruders, or other situations affecting safety) building staff will direct students, staff and visitors where to move and what to do to ensure the safety of all. (Policy #806)

Independent School District 518 facilities utilize an emergency response system that has trained staff and students on a process to use to make decisions when faced with critical concerns. Staff and students are equipped to make decisions using the information they receive in an incident and emphasizes evacuation as the best option to survive a violent crisis incident.

In the event of an emergency that requires students to be evacuated from a school building, the district has arranged a location in Worthington to serve as a Gathering Place. Students will be transported to this location where parents and family members may be safely reunited. In the event of a crisis incident, notification will specify the location where parents/guardians may pick up their children. It is critical that the areas around school facilities be kept free of traffic so that first responders can reach facilities and buses can quickly transport students and staff to the Gathering Place. When informed of the Gathering Place, please do not attempt to go to school facilities.

The safety of students and staff are of the utmost importance to the district. Staff and students are trained to react during a crisis incident by employing the ALICE system. The ALICE system provides several options for response to a crisis incident. These options are described below.

ALICE

RESPONSE OPTIONS

Every person is empowered to decide if they:

ALICE STANDS FOR:

***A*lert**

Get the word out! Announce "armed intruder in the building." Use clear, concise language to convey the type and location of the event.

Communication allows for others in the situation to make quick, informed decisions.

***C*ounter**

As a last resort, apply skills to distract, confuse, and gain control.

***E*vacuate**

Reduce the number of potential targets for an armed intruder. This is the preferred response and should be taken as soon as safely possible.

DIRECTORY INFORMATION - Directory information is part of the student's educational record that may be disclosed to the public. It includes, but is not limited to: the student's name, address, telephone listing, electronic mail address, photograph, date and place of birth, major field of study, dates of attendance, grade level, enrollment status (i.e. full-time or part time), participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors and awards received, and the most recent educational agency or institution attended. It also includes the name, address and telephone number of the student's parent/guardian(s). Directory information does include personally identifiable data that references religion, race, color, social position or nationality.

Parents/guardians or students can restrict the release of any or all of the directory information by submitting a written request to the principal. Contact the school office for specific instructions for restricting the release of information. (Policy #515)

ELECTRONIC DEVICES - Personal communication and electronic devices will be allowed before school, during lunch, after school, and between classes. Students are not allowed to use these devices for non-educational purposes during the time that class is in session. Such items include, but are not limited to cell phones, iPods, or MP3 players. It is the expectation of the school that students place their cell phones in a designated location within the classroom that has been determined by the classroom teacher. Teachers may allow students to access personal electronic devices for educational use during class time. If a teacher determines that a student is using electronic devices for non-educational purposes and has violated this policy, the teacher will collect the device and bring it to the office.

A first violation will result in the device being turned into the office. Second violations will result in the device being turned into the school office and parents will need to pick up the device from the Principal.

FIRE DRILLS - Fire drills at regular intervals are required by law and are an important safety precaution. It is essential that, when the first signal is given, everyone obeys promptly and clears the building by the prescribed route as quickly as possible, moving at least 150 feet away from the building. The teacher in each classroom will give the students instructions.

FLORAL DELIVERIES – District 518 has asked the local florists to not accept orders to be delivered to students at the different buildings. Parents and students are asked to honor this request by not asking office personnel to deliver these orders to students.

For the purpose of this policy: **A weapon means:** any firearm, whether loaded or unloaded, any device or instrument designed as a weapon, or through its use is capable of threatening or producing great bodily harm or death and any device or instrument that is used to threaten or cause bodily harm or death. **Possession:** shall mean having a weapon on one's person or in an area subject to one's control on school property or at a school activity. **Consequences:** confiscation of the weapon, notification of the police department, immediate suspension for five (5) days, and a possible recommendation that the student be expelled from school.

STUDENT SERVICES

ELL - English Language Learners is a program that instructs students of limited English proficiency in the four language skill areas of listening, speaking, reading and writing.

HEALTH SERVICES/ MEDICATION - Please note that the School Nurse or Health Staff are not in the building at all times-when the health staff are not in the building other staff such as building administrative assistants may/will be covering the health office.

Immunizations: If students do not meet the criteria listed below they will not be allowed to attend school. If you have questions regarding necessary immunizations contact the school nurse or visit the website at www.isd518.net and review your child's immunizations record on parent portal. To enroll in school in Minnesota, child must show they have had the following immunizations or file a legal exemption. These are an extension of the immunizations children received as an infant. If your child never received immunization as an infant or you cannot find the record they may need more than the list shown below.

- 1Tdap
- 3Polio
- MMR
- Hepatitis B series
- 2 Varicella vaccinations or year of chicken pox disease (documentation must be signed by a physician)
- 1Meningococcal

Please note that if your child does not receive the required immunizations, it will be reported to the state of Minnesota that they are not in compliance with the Minnesota School immunization requirements, and they will not be able to attend school until their immunization(S) are updated. Parents may file a medical exemption signed by a health care provider or a conscientious objection signed by a parent/guardian and notarized. For more information on immunizations you can go to www.health.state.mn.us/immunize.

Illness: Students that become ill while at school are required to see the nurse or health office staff, after being evaluated by the health staff they will determine if the student needs to go home or needs rest and should return to class. If a student needs to go home, they will be sent home according to the student health office dismissal protocol. Parents/guardian will be called in the event that their child is ill and needs to go home. The parent/guardian (or other person as approved by administration), must come to the high school to pick up their child and sign them out. Students will not be allowed to drive home or sign themselves out unless they are 18 years of age, live on their own, or are married.

If a student sees a medical provider, please bring verification of the visit and any diagnosis or instructions (discharge summary sheet) that were given at the appointment to the nurse.

Hospitalization/Surgery: if a student is hospitalized for any reason or if they have had surgery, the family should notify the nurse. At this time necessary accommodations can be addressed for the health and safety of your child.

Field trips: nurses do not attend or travel with students during the field trip. The medication needs of students on field trips/school sponsored activities during the school day will be met. Any student taking routine medication will have their medication administered by an adult, whom the nurse has delegated the responsibility for security of the medication and medication administration. If the parent is chaperoning the event-the child's parent could assume the responsibility during the event.

Medication at School: We encourage that prescription medication hours to be arranged outside of school hours if at all possible. However, we understand that there are cases when it is necessary to the child's health that medication and/or treatments be administered in school. Students are not to carry their own prescription medication while at school unless it's a medical necessity, you have contacted the school nurse and you have completed the district medication permission form. Two key factors must be present before medication will be given. Written permission authorizing school

personnel to administer medications. Parent consent is needed for all medications; physician consent is needed for all prescription medication. Medication permission forms are available at www.isd518.net. Medication given in school must be brought in an unopened original or pharmacy labeled container (labeled bottle identifying the child's name, dosage of medication, route, and physician's name for prescription medicine).

Over the counter medication can be brought to school and left in the nurse's office or the child may keep it in their locker. However, a signed over the counter medication form must be signed by the parents and student before this will be allowed, forms are available at www.isd518.net. Medication must be in its original bottle with the correct label. Students that are caught with over the counter medication and do not have a form signed will not be allowed to carry or take the medication at school. Medication of any kind brought to school in a plastic bag or other container will not be accepted. Medication administered by school personnel will be kept in the health office under lock and key. Special storage requests must be discussed in advance with the school nurse. Unused medication, not picked up by the end of the school year, will be destroyed by school personnel.

Health Screenings: Periodically your child may be screened to determine if there is a problem with their hearing or vision. Referrals for hearing and vision screening may come from the parent, teacher, or other educational staff. If you would like your child's hearing or vision examined, please contact the health office. Also if your child plays sports they must have a physical every three years by a trained health care provider in order to participate in sports.

DISTRICT INFORMATION

ANNUAL ASBESTOS NOTIFICATION

Approved: 7/20/21

As a result of federal legislation (Asbestos Hazard Emergency Response Act - AHERA) each primary and secondary school in the nation is required to complete a stringent inspection for asbestos and to develop a plan of management for all asbestos-containing building materials. ISD 518 has a goal to be in full compliance with this law and is following the spirit, as well as the letter of the law. As a matter of policy, ISD 518 shall continue to maintain a safe and healthy environment for our community's youth and employees.

In keeping with this legislation, all buildings (including portables and support buildings) owned or leased by the school district are inspected by EPA accredited inspector(s) and an independent laboratory analyzed samples. Based on the inspection, the district prepared and the state approved a comprehensive management plan for handling the asbestos located within its buildings safely and responsibly.

Furthermore, ISD 518 has completed in AHERA 3-year re-inspection requirement every three years. ISD 518 buildings, where asbestos-containing materials are found, under repair, in which removal will take place the operations/maintenance plan will be followed.

This past year, I.S.D. 518 conducted the following with respect to its asbestos containing building materials:

Federal law requires a periodic walk-through (called "surveillance") every six months of each area containing asbestos. Also, the law requires for all buildings to be re-inspected every three years after a management plan is in effect.

Short-term workers (outside contractors) must be provided information regarding the location of asbestos in which they may come into contact. All short-term workers shall contact the lead maintenance person before commencing work to be given this information.

I.S.D. #518 has a list of the location(s), type(s) of asbestos-containing materials found in that school building and a description and timetable for their proper management. A copy of the Asbestos Management Plan is available for review in the school office. Copies are available at 25 cents per page. Questions related to the plan should be directed to the district office.

NOTICE CONCERNING USE OF PEST CONTROL MATERIALS PROCEDURES

Our district utilizes a licensed, professional pest control service firm for the prevention and control of rodents, insects, and other pests in and around the district's buildings. Their program consists of:

1. Inspection and monitoring to determine whether pests are present, and whether any treatment is needed;
2. Recommendations for maintenance and sanitation to help eliminate pests without the need for pest control measures;
3. Utilization of non-chemical measures such as traps, caulking and screening; and
4. Application of EPA-registered pest control materials when needed.

Pests can sting, bite, cause contamination, damage property, and spread disease; therefore, we must prevent and control them. The long-term health effects on children from the application of such pest control materials, or the class of materials to which they belong, may not be fully understood. All pest control materials are chosen and applied according to label directions per Federal law.

An estimated schedule of interior pest control inspections and possible treatments is available for review or copying at each school office. A similar estimated schedule is available for application of herbicides and other materials to school grounds. Parents of students may request to receive, at their expense, prior notification of any application of a pest control material, should such an application be deemed necessary on a day different from the days specified in the schedule.

INDOOR AIR QUALITY

ISD 518 has in place a program to monitor and improve air quality at our school. The Worthington School District considers no objective more important than providing its employees, students, and visitors a healthy, safe environment. Because we believe that indoor air quality is essential to this objective we are sending this notification to inform parents, students and staff of our program to monitor and improve indoor air quality.

As part of the program implementation, an Indoor Air Quality Coordinator has been appointed. An annual walk-through will be performed by the Coordinator to evaluate school facilities for obvious water intrusion, ventilation failures, structural problems, overall cleanliness, and the status of the O&M program.

The District's response to parental concerns will be timely and direct. Parent's questions are always welcome. If a concern would arise, we ask the parent contact Dave Skog, Indoor Air Quality Coordinator. The Coordinator will be able to assist in evaluating the child's home or other out of school situation. Additional information is available to parents about school facility construction; maintenance, housekeeping practices, chemicals used, mold and HVAC related information, and other activities that may contribute to a child's symptoms.

ISD #518 accepts the responsibility of monitoring indoor air quality and will/has conducted a survey of the mechanical ventilation rate of each occupied space in the District.

Approved: 7/20/21

Worthington Public Schools are proud to be taking a leadership role in providing a safe, comfortable, and productive environment for our students and staff so that we achieve our core mission - educating students. Our school will continue to follow EPA guidance to improve our indoor air quality by preventing as many problems as possible.

If you would have any questions or concerns about this or any other health and safety program, please contact Dave Skog at 372-2172.

STUDENT DISABILITY NONDISCRIMINATIONS - Section 504 of the Rehabilitation Act of 1973 is a civil rights statute that protects individuals with disabilities from discrimination. Persons who have questions, comments, or complaints should contact John Landgaard, District 504 Coordinator at 372-2172. (Policy #521)

STUDENT/PARENT RIGHTS UNDER FERPA - ISD 518 recognized its responsibility in regard to collection, maintenance and dissemination of public records and the protection of the privacy rights of students as provided in federal law and state statutes.

The procedures and policies adopted by ISD #518 regarding the protection and privacy of parents and students are pursuant to the requirements of 20 U.S.C. §1232g, et seq., (Family Educational Rights and Privacy Act) 34 C.F.R. Part 99 and consistent with the requirements of the Minnesota Government Data Practices Act. Minn. Stat. Ch. 13 and Minn. Rules Pts. 1205.0100 to 1205.2000. (Policy #515).

A complete copy of the Student/Parent Rights under FERPA policy is on file in the Principal's Office, Student Services and District Office.

STUDENT SEX NONDISCRIMINATION - Students are protected from discrimination on the basis of sex pursuant to Title IX of the Education Amendments of 1972 and the Minnesota Human Rights Act. ISD 518 provides equal educational opportunity for all students, and does not unlawfully discriminate on the basis of sex. (Policy #522)
