

Worthington High School Vision/Mission/Goals

Vision

Our shared vision encompasses meeting the needs of all learners through establishing a collaborative culture with a focus on learning and results. At Worthington High School we use a full range of educational services to respond to the individual learning needs of students. We are devoted to preparing students for college and career readiness by meeting the social, emotional, and academic needs of every individual learner.

Mission

Excellence in Action – At Worthington High School we will focus on learning, focus on results, and focus on collaboration to ensure student achievement for all.

Goals

WHS ALL – Personal Learning Plan

All students at the Worthington High School will be college and career ready by identifying individual career goals, understanding career options, and determining/enrolling in pre-requisite courses for career pathways, as measured through the completion of a personal learning plan.
