WELCOME

Did you hear the exciting news that Community Education has moved to a new location? Yes, Community Education has moved to a new building! We are beyond excited to share this news with you. We would like to cordially invite you and your family to the ribbon cutting ceremony and open house with tours at our new building on Tuesday, March 7th @ 4:00 p.m. – 6:00 p.m. Our new address is 827 N. Crailsheim Rd. Come check out the new location for Adult Basic Education, Early Childhood Education, Family and Community Liaisons, Enrichment Programs, and the Nobles County Integration Collaborative.

Our move to a new building is a perfect time to kick off our Spring 2023 catalog. We are excited to continue our collaboration with many different agencies, businesses, and talented people. Check out the fun opportunities we are offering to keep you and your family engaged. There is something for all age groups. If you do not see a class that you are interested in, please call Community Education to share your ideas and suggestions. Also, if you have a special hobby and would like to offer a class to teach our community, please let us know. We would love to hear from you.

In this catalog, we would like to welcome a couple of new opportunities for our community. In celebration of our new kitchen, we are offering some adult and youth cooking classes. Have you ever tried Pho? A Vietnamese comfort food that is globally recognized for its savory flavors. How about fresh Spring Rolls? Well, here is an opportunity for you to come and learn about the dishes. Classes are very basic, and no cooking experience is needed.

Another new opportunity is the Youth Soccer Program. This Community Ed program is open to youth ages 7-15 years old. Please find more details on page 5 of this catalog. Don't forget, we are still offering our other fun opportunities, such as gymnastics, archery, NCIC youth programs, Defensive Driving classes, etc.

Thank you for your continued support! See you at the open house!

YOUTH SOCCER PROGRAM

The Youth Soccer Program is a collaboration between Community Education and a non-profit community group, who in the past couple of years, have been volunteering to teach youth in our community how to play soccer. This soccer program does not require tryouts, so anyone can join the program. Whether you have never played, have some experience, or have played several games before, you are still able to join the program. The emphasis of the program is on fun, developing good sportsmanship, learning the ins & outs of the game, and fostering an appreciation for the game of soccer. Soccer is a sport that contributes to the well-being of children by engaging them in the sport while teaching them the basic movements and skills. The objective is to keep moving and to keep active throughout the summer. The Youth Soccer Program focuses on instructional play and not on competition/tournaments. The players do not travel to play against other teams nor do other teams come to them to compete. The main focus is to have an environment for learning proper fundamental movement skills such as running, jumping, twisting, kicking, throwing, and catching the ball. Once players have developed some skills, there will be scrimmages or friendly games with other teams. Dates and times of the scrimmages will be determined at a later date.

*Students may sign up for more than one session, through their age group.

COMMUNITY EDUCATION YOUTH SCHOLARSHIP PROGRAM

Worthington District 518 Community Education offers youth scholarships to enable more youth to participate in program offerings. As with most other school district activities, Community Education uses the USDA Free and Reduced Lunch application data to determine whether or not local youth are eligible. Children who qualify for Free or Reduced Lunch, will be able to enroll in most Community Education youth activities for the reduced fee.

To obtain these program scholarships, families should indicate their interest in applying for the reduced fee when enrolling their children in a Community Education class or activity. The Enrichment Programs Coordinator will determine whether any additional information is needed to determine if the child qualifies for this income-based program. For more information, parents can contact the Enrichment Programs Coordinator at the District 518 Community Education office at 507-376-6105.

2022-2023 Home Visit Program

Did you know that home visits could increase student performance, jumpstart parent involvement, reduce discipline problems, and increase overall positive attitudes towards school? Home visits provide a great opportunity for students, parents, and teachers to connect and communicate outside of the traditional classroom environment. We are seeking teachers and school counselors to complete home visits with students and families in the 2022-2023 school year. Participants identify the families they would like to visit and arrange their visits independently. We provide training, a stipend, and mileage for each home visit completed.

To register or to receive more information, please call (507)376-3300.

Coming Up: College Visits and Volunteer Opportunities

Stay tuned to all new upcoming announcements for more information on how you can participate in

some upcoming events such as college visits to the Jackson campus and SDSU. We're also working on programming another volunteer experience at The Banquet. All dates and times are TBD at this time.

NCIC Staffing Updates

We are also happy to announce a new addition to the team. This year has been full of changes for our office. One of those changes being our most recent addition to the team, Alyssa Sounthala, a new Youth Development Leader. Alyssa will be working alongside our two other Youth Development Leaders, Chansouk Duangapai and Tah So Ghay Collah. Each of them will be providing academic support to students at local schools, and part of their day will also be spent planning and facilitating out-of-school-time programs. Focusing on academic achievement, civic engagement/volunteerism, college & career readiness, and leadership development.

Hi, my name is Alyssa Sounthala and I am a new Youth Development Leader here at NCIC. I am a 2015 graduate from the High School here in Worthington. After I graduated, I went straight into the workforce as a retail worker. Through

my work experiences at Wal-Mart and Hy-Vee, I improved my communication, time-management, and intrapersonal skills.

I am glad to be working at NCIC. I want to help prepare students for life outside of school with interview preparation, skill building, and teamwork.

Now that my journey has led me here, I am so excited to work with students in the classroom and outside of the classroom to watch them grow into kind, thoughtful, caring, & responsible adults.

I am so grateful for my experience outside the educational world, but I am even more thankful that I can now be a part of it.

NCIC Staff from left to right: Chansouk Duangapai, YDL; Gladys Aldana, Cultural Liaison; Alyssa Sounthala, YDL; Guadalupe Rendon, Cultural Liaison; Tah So Collah, YDL.

Current NCIC Staff Members

NCIC is seeking high school students to assist during the Summer Lunch and Learn program. High school volunteers will have the opportunity serve as mentors and will guide activities during the program. Volunteers will receive an NCIC shirt and a certificate of attendance. If interested, please contact NCIC office at 507-376-3300 to register.

We're Hiring...

Currently, NCIC does not have an Achievement and Integration Coordinator. The position is posted online at www.isd.518.net. We are seeking an individual with a passion for education and integration. We prefer candidates with a bachelor's degree. Individuals who speak more than one language and who have multicultural life experiences are encouraged to apply. The coordinator manages budgets, supervises staff, implements programs, gathers data, and works with member districts to complete and submit reports to the Minnesota Department of Education. Interested candidates are encouraged to apply online as soon as possible.

DEFENSIVE DRIVER TRAINING

MATURE DRIVER

Improve your driving skills, and if you're 55 or older, get a discount on your personal auto insurance. The Defensive Driving Course teaches basic crash prevention techniques and has a proven record of reducing traffic violations and incidents. It is taught by experienced, professional traffic safety instructors. The class consists of lecture, films, and discussions. There is no behind-the-wheel driving and there are no tests.

According to the Minnesota state law, people age 55 and older who complete a state-approved defensive driving course are eligible to receive a 10 percent, three-year discount on auto insurance. Contact your insurance agent for details. After you complete the course, you will receive a certificate of completion to give to your insurance company. This 4-hour refresher course is for mature drivers who have completed the initial 8-hour class.

Community Education is currently collaborating with AARP (the American Association of Retired Persons) and the Minnesota Safety Council to offer these opportunities.

FAMILY & COMMUNITY LIAISON PROGRAMS MERGE TO PROVIDE ADDITIONAL ASSISTANCE

The Community Connectors and Family Liaisons were previously two separate programs, with some commonalities. Community Connectors assisted people who were seeking community resources and information. Family Liaisons served people who were seeking District 518 school related information and resources. Due to funding limitations, the staff people in these programs do not work full time. So recently it was decided that staff would be cross-trained to provide assistance with both school and community related information/resources. Now, the staff are able to serve more people, which allows people to obtain the help that they need at the time that is most convenient for them.

As these programs merged, a few changes took place. First, Adry Stafford is now serving as the coordinator for the Family & Community Liaisons. Second, the program is now asking clients to call ahead to make an appointment. Drop-in appointments will still be accepted, but only as staff time allows.

LETS TALK ABOUT CAREGIVING

During this session we will learn what a caregiver is, who the caregivers are that we know, and learn what a caregiver's job is that they do. We will highlight the benefits of being defined as a caregiver and discuss the challenges that caregiving brings. We will then learn what resources and services are available to those that are defined as a caregiver. We will interact with those in attendance to also learn about what is needed that may not be available.

The school year is quickly flying by with an anticipation of spring. The District 518 Community Education staff is excited to have moved into their new building and ready to go with their programming and activities. An open house will be held on Tuesday, March 7. The new storage facility on the grounds close to the Learning Center/Community Education/Intermediate School is almost complete and moving things into that building will start soon.

It has been an excellent few months of progress with our students enrolled in the EDGE and Night School programs in getting students better prepared to grow and be as successful as they can be in the classroom. District 518 staff has worked hard this year on many fronts to provide innovative teaching lessons, assignments, and projects for our students. We appreciate their efforts to adapt and be flexible in working on many levels to keep kids learning and doing well in the classroom.

We are planning for the upcoming school year with some changes in the school calendar for 2023-24. There will not be the 2-day break that has been given for MEA in October. We will be having a one-day break in October, along with an additional day of professional development for our staff in early November. Along with the changes in the fall, there will be a week-long break at the end of March. Graduation is slated to be held on Friday, May 31.

This fall we will be voting on an operating referendum for the district. School districts need operating levies to cover the funding gaps in the state aid formula. The district's operating levy funding expires 2024-25 school year. Operating funds go towards people/staff, programs, and day-to-day operations. The vote will provide funds beginning in the 2025-26 school year. More information and public meetings will be announced in the coming months.

Our boys' soccer team, 2 of our cross country runners, our Region 2AA Triple A Award winner Ivy Jenson, the Spirit of Worthington's trip to Cuero, along with the continued success of the gymnastics team, BPA, FFA, Culinary Arts, FCCLA, Speech team and other groups are giving us much to cheer on in Trojan Pride.

I would like to thank all of you for the continued support of District 518 as we continue to support, educate and work to enhance the educational experiences of our students.

REGISTER ON TIME TO SAVE MONEY

Persons interested in enrolling in a Community Education class may register by these four easy methods. Most programs have limited enrollment and are filled on a first-paid, first-served basis. Registrants may miss the first session of a class, but must be registered before the second session is held in order to participate in the class.

Payment Policy: Payment must accompany registration to ensure enrollment in a class. Registrations without payment will be put on hold until payment is received. Registrations/payments received the date the class begins will be charged an additional \$5 processing fee. All walk-ins and late registrations will be charged the \$5 processing fee. Participants are strongly encouraged to register early. These changes are made in an effort to provide quality service through an enrollment process more efficient and fair to all participants. If you have questions, please contact the Community Education office.

Each class has a minimum required enrollment. If this minimum is not met one week prior to a class starting, the class will be canceled and enrollment fees returned.

CONFIRMATION

Once your fee is paid you are officially registered. Plan to attend the first session as scheduled. You will be notified only if the class is canceled.

ENROLLMENT CANCELLATION

Please notify the Community Education office during office hours at 376-6105 prior to the start of a class to cancel from a class and request a refund.

INCLEMENT WEATHER

Weather related changes will be announced on 730 AM and US95 by 4:00 p.m. on the day of the class.

UCARE DISCOUNTS

A UCare discount of \$15 per class is available. Please ask about this program!
