WELCOME

I hope you are as excited about this fall as we are! We continue to work collaboratively with many different agencies, businesses, and talented people to bring fun and educational opportunities for all age groups! This catalog includes fun activities in art, Zumba, cooking, theatre camp, youth groups, book clubs, outdoor activities and more!

If you have not had the opportunity to attend the cooking classes, you still have time. We are offering pho and eggroll classes again. These fun and tasty classes will fill up fast, so sign up soon. Also enjoy other community events such as the Worthington Area Symphony Orchestra Holiday Concert, local art shows, the Turkey Day events and more!

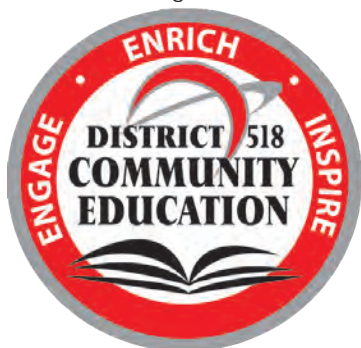

Also do not forget about the Dakota Players Children's Theatre Camp in mid-August for students who are interested in theater, drama, speech, and other performing arts. Up to 50 local youth, kindergarten through 8th grade, are assured roles in "On The Road To Bremen Town." Join a dog, a cat, and the most rock-a- doodlin' of roosters as they journey toward Bremen Town, discovering that life can be full of thrills and surprises. Living each moment to its fullest, you never know what tomorrow will bring. The final performance will be on August 18 and it is open to the public.

There is something for all age groups to enjoy. Hurry and sign up for classes and fun trips that you and your family members would like to join. Spots are limited and they fill up fast!

If you have suggestions on ideas for classes or would like to be an enrichment facilitator and teach a class, please contact Soom Chandaswang.

Worthington District 518 EARLY CHILDHOOD SCREENING

Do you have a child that is 2-5 years old?
Has your child been to early childhood
screening? If not, read on...

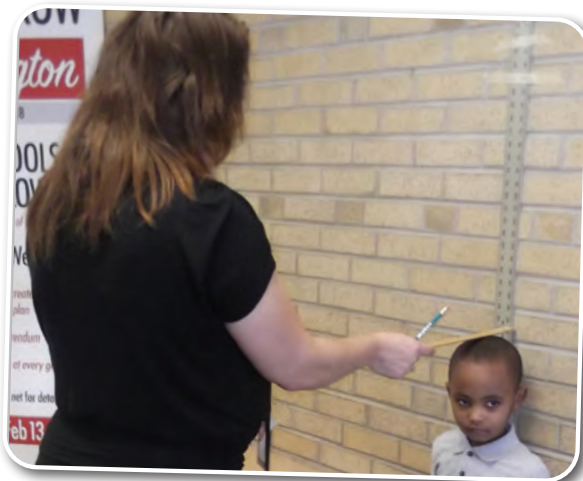

Minnesota State Law requires that children age 3 1/2 - 4 years participate in a developmental early childhood screening. This screening is free. The purpose of the screening is to identify children who may benefit from district and community resources that are available to help in their development.

The screening will consist of the following components: fine/gross motor skills, language development, concepts, height/weight, vision, hearing, review of child's health history, and immunization record (these are not substitutes for comprehensive exams).

District 518 will be sending out letters of invitation to children who are in the appropriate age range. *If your child is 4 years of age and has not been screened or if you would like to check if your child is listed on our census, contact Melanie Kuhl, Early Childhood Screening Coordinator at (507) 727-1207 for more information. Meet the new Coordinator

The NCIC has a new coordinator.

Hi, my name is Ada and I am the new NCIC coordinator. I grew up in Poland and am half Polish and half English. I have a degree in English with a major in translation and a postgraduate degree in simultaneous and consecutive translation. In the

past I have been an English tutor, worked at English-immersion camps, done translation work and on-site interpreting. I am excited to create new programs that have a positive impact on the students' lives and am looking forward to contributing to a generation of kind and loving people who are self-aware and respectful of the world. Throughout my work as well as personal life, I have had the privilege and joy to cooperate and interact with people of many cultures. I feel that every culture and in fact every human being has something magical to share. I also value education and believe that it can make a huge difference in our lives and pave the way towards a wonderful future full of meaningful interactions and contribution. Personally, I enjoy spending time in water, nature and reading. My favorite moments in life include those when we understand others without words and feel a loving connection to all life on earth.

The AHA and AmeriCorps

Recently, AmeriCorps and the Centers for Disease Control and Prevention have joined forces to launch a domestic service opportunity intended to:

- Help meet public health needs of local communities by providing needed capacity and support in state and local public health settings and advancing more equitable health outcomes for communities who are currently or historically underserved.
- Provide pathways to good quality public health-related careers by providing exposure through on-site experience, training, and more, with a focus on recruiting AmeriCorps members who reflect the communities in which they will serve.

STUDIO3

WGTN-TV (Studio 3) facilitates awareness, encourages involvement and promotes student and community participation through locally originated cable television. Studio 3 works for and is governed by the City of Worthington and District 518 Schools.

We have been working towards getting ready for our future. Cable television continues to make changes, and we know that some do not have cable in their homes any longer. We have 2 YouTube Channels that will have our Worthington and District 518 events on – concerts, Trojan soccer, football, volleyball, basketball and more. We will be doing less Facebook Live events and more live YouTube events for the coming school year. This is how to find us:

We will have Trojan Volleyball, Football, Soccer (b/g), Wrestling, and Basketball (b/g) games live on our YouTube channel as the game is happening. The recorded game will stay on the page for 24 - 48 hours and then deleted. Once the respective sports season has concluded, they will be re-added. WORTHINGTON

DISTRICT 518

Wow! What a busy and active summer it has been for District 518! We anxiously await the staff and students to begin our expanded preschool program at District 518 Community Education.

Our new student enrollment is currently open for the upcoming 2023-2024 school year. To help our staff be prepared, along with making sure we have planned correctly, we encourage you to enroll your children early. If your child or children did not attend school in District 518 last year, we would like to get them registered now. If you need registration information or have questions on the process, please see the additional information in this catalog or call Community Education at 507.376.6105.

We do have a number of new staff along with new administrators throughout the district. Some other changes do include scheduling, program, and initiative changes to enhance the educational learning of students. All this leads to the excitement of a fun-filled educational experience for the school year. If you have the opportunity, please make sure to welcome the new members to the educational team.

As summer is coming to a close soon, we have a number of available jobs still available – teaching, paraprofessionals, custodial, sports and activities. We are always in need of substitutes for many of our teachers and paraprofessionals. For our current job listings isd518.net/district/employment/. The Worthington School District has partnered with Teachers On Call to fill our Substitute Teacher and Substitute Paraprofessional positions. If you are interested in applying, please visit www.teachersoncall.com or don't hesitate to contact Teachers on Call directly at 800.713.4439 with questions. If you are already employed by Teachers On Call in a surrounding district, please contact them for access to Worthington School District (you need not reapply).

The plans are developing to have a Ribbon Cutting and Public Open House for the District 518 Administrative Office that will be held on Thursday, September 7 from 3 p.m. to 6 p.m. Building tours will be available along with light refreshments to be served. We welcome all to come and look at the renovated office building.

We look forward to a great 2023-2024 school year. Enjoy the rest of your summer!

- John Landgaard
