WELCOME

Welcome to an exciting summer of fun and learning! We've partnered with numerous agencies, businesses, and talented individuals to bring you a diverse range of educational and entertaining activities for all ages. Look no further than our catalog, which includes everything from art, soccer, and guitar lessons to tennis, cooking, and outdoor activities.

But that's not all – our community also has fantastic events like the Worthington International Festival, the Amazing Worthington City Band concerts, and the Windsurfing Regatta & Music Festival.

For those interested in theater, drama, speech, and other performing arts. In collaboration with Memorial Auditorium, we are proud to host the Dakota Players Children's Theatre Camp in mid-August. Up to 50 local youth in kindergarten through 9th grade are guaranteed roles in "The Superhero Show." Join Polly Partridge and the Superhero gang as they learn an important lesson that being true to yourself is the key to happiness.

Don't miss out on Community Ed's opportunities for family fun and personal growth. Remember, spots are limited and fill up quickly, so sign up now for the classes and activities that interest you the most.

We would like to express our gratitude to all the staff involved in the creation of our seasonal catalogs. Pictured above are the staff in action, bundling and sorting the catalogs for mailing.

Thank you for your continued support!

YOUTH SOCCER PROGRAM

Welcome to the Youth Soccer Program! This program is designed for children aged between 7-15 years old. Our primary focus is to create a fun and positive experience for young athletes while teaching them the fundamentals of the game. Our coaches will help your child develop their soccer skills and provide them with a comprehensive understanding of the game through a series of drills and activities. We also place a strong emphasis on good sportsmanship and teamwork, which will help your child develop important social skills and a sense of community. Our program is open to everyone, regardless of their skill level. Our objective is to keep kids active throughout the summer, and our focus is on instructional play rather than competition or tournaments.

DEFENSIVE DRIVER TRAINING

MATURE DRIVER

Improve your driving skills, and if you're 55 or older, get a discount on your personal auto insurance. This course teaches basic crash prevention techniques and has a proven record of reducing traffic violations and incidents. It is taught by experienced, professional traffic safety instructors. The class consists of lectures, films, and discussions. There is no behind-the-wheel driving and there are no tests. According to Minnesota state law, people age 55 and older who complete a state-approved defensive driving course are eligible to receive a 10 percent, three-year discount on auto insurance. Contact your insurance agent for details. After you complete the course, you will receive a certificate of completion to give to your insurance company. This 4-hour refresher course is for mature drivers who have completed the initial 8-hour class.

WORTHINGTON DISTRICT 518

Our population in the Worthington area has continued to grow for over two decades. Along with the population growth in the area and the five communities that make up District 518, we continue to have a growing district. This is a welcome opportunity rather than having concerns about declining enrollment and having to make budget trimming and cuts in our district. Along with growth comes the concerns about having enough classroom space throughout our district.

Over a decade ago, we put before the voters of the district the need for a new high school to allow for enough classrooms for our students to help alleviate class room sizes, expand the band room to accommodate a large band and have enough storage space for the music department’s needs, renovate the kitchen and server area that serves over 1,100 students twice a day, expand the cafeteria space to have enough seating space to serve the students, renovate the media center to provide additional workspaces for our growing IT department to better support students and staff, and more in a referendum that failed. Since that time, we have added two new additions to the high school to provide more classrooms, but we continue to need more space for our growing student population and the services that are provided to them each day. We focused our attention over the past few years to help alleviate space issues that were going on within our younger students and their classrooms and space issues. Building the Learning Center, Community Education, and the Intermediate School has helped move our students into facilities that are giving them enough space to learn and explore in becoming successful citizens in the future. But the concerns for high school space upgrades and renovations remained on the list.

Your district school board has continued to address the facility needs, listened to the suggestions and feedback from staff to gather information, and is prioritizing the building improvements that best meet the needs for our district long-term. They have been discussing these improvements and have moved in the direction of putting together a building bond referendum that will be put before our voters on Tuesday, August 13. More information is included in this publication and more information will be forthcoming to address the list of improvements to the high school that are being addressed. Please feel free to contact your school board members and administration about your questions or concerns.

We are winding down a busy and productive school year with many end of the year events – awards, field trips, Prom, concerts, graduations and more. District 518 has had a successful year of being honored with special recognition of its staff and community. These recognitions are wonderful accolades for staff that work hard to provide excellence in and around the classroom. Please join us in appreciating their efforts for our students, families, and communities that we represent.

FAST FACTS

ISD 518 AUGUST 2024 BUILDING BOND REFERENDUM

Our mission is for all learners to be successful citizens in the future. For more than a decade, ISD 518 has worked hard to understand our facility needs, involved others to gather feedback, and prioritized building improvements that best meet our district's long-term needs.

On Tuesday, August 13, residents of ISD 518 will decide whether to invest \$15.3 million to make key educational space and deferred maintenance improvements to Worthington High School.

Visit ISD518Committed.com

for more information or use your smartphone camera to scan the code.

Early/absentee voting begins on Friday, June 28.

A SINGLE-QUESTION PLAN TO IMPROVE WORTHINGTON HIGH SCHOOL

If voters approve the referendum on August 13, the \$15.3 million investment will fund approximately 45% of the total proposed improvements:

- Build a new two-story, eight-classroom addition to address capacity needs.
- Renovate and reconfigure existing classroom space to support programming needs.
- Renovate and expand the kitchen and servery area and reconfigure and expand the cooler/freezer/dry storage space.
- Renovate the existing office and student services area into a student commons and dining area to address capacity needs, and connect the east and west sides of the building on the second level.
- Relocate the administrative offices and student services area to the north main entrance of the building to improve overall building security and provide better access to specialists.
- Renovate a portion of the media center to provide additional workspace for the district's IT department to better support students and staff.
- Improve several restrooms to be single-stall, ADA-accessible privacy restrooms.
- Expand the equipment and storage area to support CTE programs.
- Address critical LTFM needs, upgrade various finishes, replace built-in items, and replace several areas of the existing roof.
- Complete fixtures, furnishings, equipment, and technology upgrades in renovated spaces.

More information about the plan can be found at ISD518Committed.com/plan.

LEARN ABOUT THE COST OF THE PLAN

If the referendum is approved, the district would invest a total of \$33.8 million in high school improvements – \$15.3 million funded through the building bond referendum and \$18.5 million funded through other district funds.

Ultimately, the school board’s commitment of these funds lowers the overall tax impact of the building bond referendum to district taxpayers. **A \$200,000 residential home would see a tax increase of \$4.68 per month for 20 years starting in 2026.**

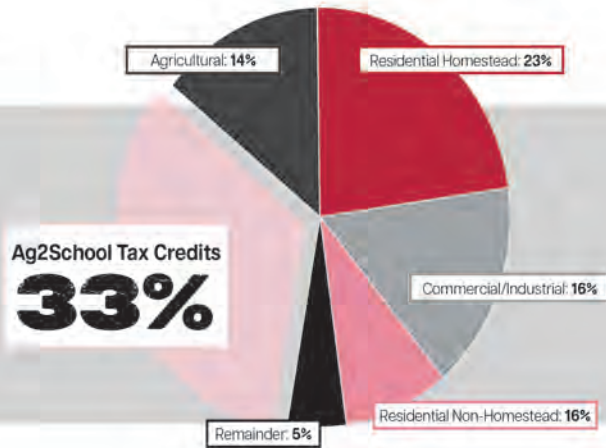

\$200,000 residential home =
\$4.68
 per month starting in 2026

WANT TO KNOW YOUR ESTIMATED TAX IMPACT?

Use our tax calculator or visit ISD518Committed.com/cost to learn more.

Ag2School credits would pay for approximately 33% of the referendum’s total debt service payments, equivalent to approximately \$5 million. This state-funded credit reduces the contribution percentage for agricultural landowners to slightly less than residential landowners.

HOW CAN YOU CAST YOUR VOTE?

Election Day is Tuesday, August 13, and residents can vote in one of three ways:

- 1** Vote early/absentee in person
- 2** Vote early/absentee by mail
- 3** Vote in person on Election Day at your respective polling location.

Early/absentee voting is available starting Friday, June 28, through Monday, August 12. Find your polling place and learn more at ISD518Committed.com/vote

DATOS BREVES

ISD 518 AGOSTO 2024 REFERÉNDUM PARA BONOS DE CONSTRUCCIÓN

Nuestra misión es que todos los estudiantes sean ciudadanos exitosos en el futuro. Durante más de una década, ISD518 ha trabajado arduamente para comprender las necesidades de nuestras instalaciones, involucrar a otros para recopilar comentarios y priorizar las mejoras de los edificios que mejor satisfagan las necesidades a largo plazo de nuestro distrito.

El martes 13 de agosto, los residentes de ISD518 decidirán si invierten 15.3 millones de dólares para hacer mejoras al espacio educativo claves y el mantenimiento diferido a la Worthington High School.

Visit ISD518Committed.com

for more information or use your smartphone camera to scan the code.

La votación anticipada o por correo inicia el viernes 28 de junio

PLAN DE UNA SOLA PREGUNTA PARA MEJORAR WORTHINGTON HIGH SCHOOL

Si los votantes aprueban el referéndum el 13 de agosto, la inversión de \$15.3 millones financiará aproximadamente el 45% del total de las mejoras propuestas, que será:

- construir una nueva ampliación de dos pisos y ocho aulas para atender las necesidades de capacidad
- renovar y reconfigurar el espacio existente en el aula para apoyar las necesidades en la programación
- renovar y ampliar la cocina y el área de servicio, reconfigurar y ampliar el espacio de almacenamiento frío/ congelado/seco.
- renovar el área de oficinas y servicios estudiantiles existente para convertirla en un área común y comedor para satisfacer las necesidades de capacidad, y conectar los lados este y oeste del edificio con la segunda planta.
- reubicar las oficinas administrativas y el área de servicios estudiantiles en la entrada principal norte del edificio para mejorar la seguridad general del edificio y brindar un mejor acceso a los especialistas
- renovar una parte del centro multimedia(biblioteca) para proporcionar un espacio de trabajo adicional para el departamento de tecnología(TI) del distrito para brindar un mejor apoyo a los estudiantes y al personal
- mejorar varios baños para que sean baños de privacidad de un solo puesto y accesibles según la ADA
- ampliar el equipo y el área de almacenamiento para apoyar los programas CTE
- atender las necesidades críticas LTFM, actualizar varios acabados, reemplazar elementos incorporados y reemplazar varias áreas del techo existente.
- completar accesorios, mobiliario, equipos y actualizaciones tecnológicas en los espacios renovados.

More information about the plan can be found at ISD518Committed.com/plan.

CONOZCA EL COSTO DEL PLAN

Si se aprueba el referéndum, el distrito invertiría un total de 33.8 millones de dólares en mejoras de la high school: 15.3 millones de dólares financiados a través del referéndum de bonos para construcción y 18.5 millones de dólares financiados a través de otros fondos del distrito.

Finalmente, el compromiso de la junta directiva escolar sobre estos fondos reduce el impacto fiscal general del referéndum de bonos para construcción a los contribuyentes del distrito escolar. **Una casa con un valor de 200,000 dólares vería un aumento de impuestos de 4.68 dólares al mes durante 20 años a partir del año 2026.**

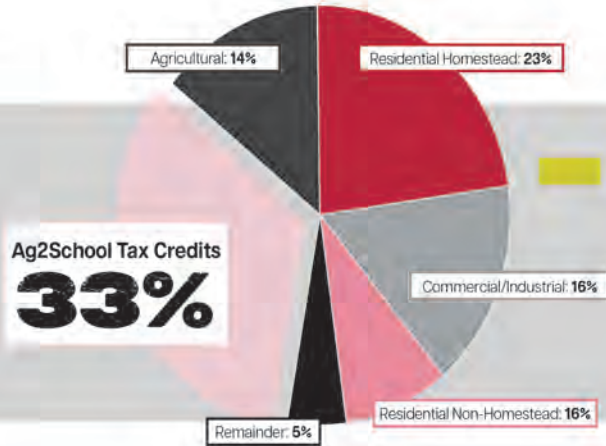

\$200,000 residential home =
\$4.68
 per month starting in 2026

**WANT TO KNOW
YOUR ESTIMATED
TAX IMPACT?**

Use our tax calculator or visit
ISD518Committed.com/cost to learn more.

Los créditos de Ag2School pagarían aproximadamente el 33% de los pagos totales del servicio de la deuda del referéndum, lo que equivale a aproximadamente a 5 millones de dólares. Este crédito financiado por el estado reduce el porcentaje de contribución de los propietarios de tierras agrícolas a un poco menos que el de los propietarios de tierras residenciales.

¿COMO PUEDE EMITIR SU VOTO?

El día de la elección es el 13 de agosto y los residente pueden emitir sus voto una de las siguientes tres maneras:

- 1** votar por anticipado, o en persona
- 2** votar por anticipado o por correo
- 3** votar en persona el día de la elección en su lugar de votación respectivo

La votación anticipada o por correo está disponible a partir del viernes 28 de junio hasta el lunes 12 de agosto. Ubique su lugar de votación y enterese más en ISD518Committed.com/vote.
