WELCOME

Get ready for an unforgettable summer packed with excitement and learning opportunities! We have joined forces with a variety of agencies, businesses, and talented individuals to bring you an incredible lineup of activities suitable for everyone in the family. From art and soccer to cooking and outdoor adventures, our catalog is bursting with options. Plus, don't miss out on our engaging Spanish Culture Camp designed for students in 2nd to 4th grade!

But that's just the beginning! Our community hosts amazing events, including the vibrant Worthington International Festival, the thrilling Windsurfing Regatta & Music Festival, and lively performances by the Worthington City Band.

For aspiring performers, we are thrilled to partner with Memorial Auditorium to present the Dakota Players Children's Theatre Camp in mid-August. This is a fantastic opportunity for up to 50 local youth, from kindergarten through 9th grade, to shine on stage. Each participant is guaranteed a role, culminating in a spectacular public performance at Memorial Auditorium.

Above, you can see our dedicated Family & Community Liaisons department—one of five crucial departments within Community Education. They are available all summer to assist with Pre-K through 12th grade registration- including the VIBE program. Families are encouraged to call, stop by the office, or send an email to schedule an appointment and get their child registered for school.

Our Family and Community Liaisons are dedicated to helping families and individuals access the services they might need. With over 15 years of combined experience—and support available in three languages—they're here to serve our community.

Whether you're new to the area or just need a hand navigating local resources, Community Education is here to help!

Thank you for your continued support!

To obtain these program scholarships, families should indicate their interest in applying for the reduced fee when enrolling their children in a Community Education class or activity. The Enrichment Programs Coordinator will determine whether any additional information is needed to determine if the child qualifies for this income-based program. For more information, parents can contact the Enrichment Programs Coordinator at the District 518 Community Education office at 507-376-6105.

NCIC Welcomes Edgar Sanchez! New Youth Development Leader

My name is Edgar Sanchez.

I was born in Mexico, and tacos are my favorite food!

I've lived in the United States since November 2000, and Worthington has been my home for over 24 years. I graduated from Worthington High School in 2006, and I truly consider this community my hometown. My family means everything to

me. I have two sisters, a wonderful wife, and four amazing children who bring joy to my life every day.

In addition, soccer, or fútbol, is my favorite sport.

I'm proud to be coaching for the Worthington United Soccer Academy for over two years now, where I've worked with age groups ranging from U8 to U12. As an NCIC Youth Development Leader, what I love most about my job is the opportunity to connect with youth through a variety of fun and meaningful activities.

COMMUNITY/ SENIOR SERVICES

RHP (Rushmore Healthy Partners)

An exercise group in Rushmore, Minnesota offers a free two session a week program that is an independent approach to having better balance, more energy and better strength. Additionally we offer time and space to be with others to laugh, chat and workout. We have found these aspects to be the best incentives for doing exercises.

Our group meets on Monday and Wednesdays at 10:00 a.m. at the community room in the Rushmore School. We welcome new faces and hope you will give RHP a try. Call 507-478-4474 for more information or just drop by and join in.

RSVP Bone Builders

Trained volunteers lead light weight training exercises that help in protecting against fractures caused by increasing muscular strength and bone density. SAIL sessions include stretching and light aerobic activity. Classes can help prevent and reverse bone loss, improve balance, and enhance energy. Classes also provide health information and opportunities to socialize with peers. No reservation needed, come and join the fun!

Classes are held in Adrian, Round Lake, Reading and Worthington. Please call ACE of SW MN Coordinator Joanne Bartosh at 507-295-5262 for class times and locations.

STUDIO3

WGTN-TV (Studio 3) facilitates awareness, encourages involvement and promotes student and community participation through locally originated cable television. Studio 3 works for and is governed by the City of Worthington and District 518 Schools.

We have been working towards getting ready for our future. Cable television continues to make changes, and we know that some do not have cable in their homes any longer. We have 2 YouTube Channels that will have our Worthington and District 518 events on – concerts, Prom, Homecoming, Graduation and more. We will be doing less Facebook Live events and more live YouTube events for the coming school year. This is how to find us:

The school year is quickly coming to a close and it has been truly amazing with all our students having some great success either on the athletic fields/courts or the fine arts programs and other clubs achieving at a high level. Several students have or will compete at the State or National level in their respective fields, while Prairie Elementary was recognized as a Minnesota School of Excellence.

All these accomplishments have come with a great deal of hard work by our students and staff with the continued support of the residents. We are proud of the work they do to achieve success in our school. We would like to encourage you to support our spring activities with the many athletic activities, concerts and activities that happen to wrap up the school year. One of the last major events is Graduation for our Learning Center and High School students that are held on May 29 and 30. This will be one of the largest graduating classes since the early 1970's.

Like other businesses in the area, we continue to look for outstanding talent to join District 518 and fill positions within the district. If you know of people looking for a rewarding career, we ask you to encourage them to consider joining our team to support our students. Many new facilities, initiatives, and opportunities are available, and we would love for them to grow with the district. Come join our team!

Student enrollment for the upcoming 2025-2026 school year has started and we would encourage parents to enroll the children early so that we can make sure we have the appropriate staffing in place. If you intend to have your child attend District 518 for the new year, please consider registering early. The registration process is included in this catalog.

Lastly, many of you are aware that I will be retiring at the end of this school year. I would like to thank the community for all the support for the last 22 years and have enjoyed my time as the Superintendent in Worthington. During my time in the district, we have experienced growth, expansion, student excellence, additional programming and the development of our exceptional staff. This is an excellent educational system that offers a quality education for all due to many individuals' commitment, hard work and outstanding efforts. Students that graduate from Worthington have gone on to do amazing things and we are Trojan Proud of their efforts! Thank you for everyone's part in making sure this educational system stands tall!

I believe everyone will be looking forward to the new school year as we wind down this year. Enjoy your summer!

REGISTER ON TIME TO SAVE MONEY

Persons interested in enrolling in a Community Education class may register by these four easy methods. Most programs have limited enrollment and are filled on a first-paid, first-served basis. Registrants may miss the first session of a class, but must be registered before the second session is held in order to participate in the class. *Payment Policy: Payment must accompany registration to ensure enrollment in a class. Registrations without payment will be put on hold until payment is received. Registrations/ payments received the date the class begins will be charged an additional \$5 processing fee. All walk-ins and late registrations will be charged the \$5 processing fee. Participants are strongly encouraged to register early. If you have questions, please contact the Community Education office.*

Each class has a minimum required enrollment. If this minimum is not met one week prior to a class starting, the class will be canceled and enrollment fees returned.

CONFIRMATION

Once your fee is paid you are officially registered. Plan to attend the first session as scheduled. You will be notified only if the class is canceled.

ENROLLMENT CANCELLATION

Please notify the Community Education office during office hours at 376-6105 prior to the start of a class to cancel from a class and request a refund.

INCLEMENT WEATHER

Weather related changes will be announced on 730 AM and US95 by 4:00 p.m. on the day of the class.

UCARE DISCOUNTS
